## Reptilians/Serpents

Here is the topic of Aliens from a biblical perspective. I know people find the Bible an old book of nonsense, but give parts of it a chance. I do feel there are some interesting bits that lead to interesting conclusions.

**Gen 3:1** Now the **serpent** was more subtle than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

**Talking snakes?** Of Course Not.

You need to understand what a **Serpent** is in this context. The Traditional line of thought is people think this is a fallen Angel named "**Satan**" who is throwing his voice into a literal snake and Eve's eating an apple and so forth.

**Gen 3:14** And the Lord God said unto the **serpent**, Because thou hast done this, thou [art] cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life:

I read someone's comment on this verse one time and got a good laugh out of it.

**He said:** "How did the snake get around before this hop around like a pogo stick?" He makes a good point. The **Serpent** here is not a snake it is something that walks on 2 legs.

Those not familiar with the **Book of Enoch**, it was a book found with the Dead Sea Scrolls. Enoch was the 7th from Adam. He is mentioned in the New Testament directly by other writers. He is also of course mentioned in Genesis in the lineage and it's mentioned that God took him from the Earth. - **Gen 5:23,24**

**Hebrews 11:5** By faith **Enoch** was taken away so that he did not see death, "and was not found, because God had taken him"; for before he was taken **he had this testimony, that he pleased God.**

**Jude 1:14** Now **Enoch**, the seventh from Adam, **prophesied** about these men also, saying, "Behold, the Lord comes with ten thousands of His saints, <sup>15</sup> to execute judgment on all, to convict all who are ungodly among them of all their ungodly deeds which they have committed in an ungodly way, and of all the harsh things which ungodly sinners have spoken against Him."

Yes **he gave testimony** and the other writers knew it. Not only do **two approved bible books** mention this but also the Book of Enoch was among those found with the Dead Sea scrolls likely meaning it was held in high esteem by early Christians and Jews.

Here is a link to the **Book of Enoch** so you can read it for free. [LINK](#)

**Dead Sea Scrolls** information on Enoch. [LINK](#)

These writers knew of him, yet his book was removed from the others.

The **Serpent** had personal names, here's some of them

**Enoch 69:4** The name of the first **Jeqôn**: that is, the one who led astray [all] the sons of God, and brought them <sup>5</sup> down to the earth, and led them astray through the daughters of men. And the second was named **Asbeël**: he imparted to the holy sons of God evil counsel, and led them astray so that they defiled <sup>6</sup> their bodies with the daughters of men. And the third was named **Gâdreël**: he it is who showed the children of men all the blows of death, and **he led astray Eve**, and showed [the weapons of death to the sons of men] the shield and the coat of mail, and the sword for battle, and all the weapons <sup>7</sup> of death to the children of men. And from his hand they have proceeded against those who dwell...

**Gen 3:4** And the **serpent** said unto the woman, Ye shall not surely die: (Clearly the missing piece of the puzzle is now found. It was not "Satan" but rather a serpent with the given name **Gâdreël** whom was one of many "Satans")

**Enoch 20:7** Gabriel, one of the holy angels, who is over Paradise and the **Serpents** and the Cherubim. Remiel, one of the holy angels, whom God set over those who rise.

## My Dream

I had a dream in 2015. In this dream there were three entities in the same view. The first was a bipedal energy type being in the top left followed by an alien creature in the bottom left and finally someone whom could pass off as a human with a beard in the main portion. The human part taking up most of the view.

The alien creature looked like a grayish green type being with two small lamb like horns on the top of it's head, overall it resembled the Lord of the Rings Gollum type creature. The human was dressed in what would be biblical style clothing which might also imply they've been doing this for quite some time.

The dream was trying to tell me that scorpion demons can drive whatever host body they're given. Scorpions are essentially wicked spirits from dead Nephelim which are discussed in depth within my wheat and chaff article. [LINK](#)

Here's some references in the new testament.

**Matt 23:33** [Ye] **serpents**, [ye] **generation of vipers**, how can ye escape the damnation of hell?

**Luke 10:19** Behold, I give unto you power to tread on **serpents** and **scorpions**, and over all the power of the enemy: and nothing shall by any means hurt you.

**Matt 10:16** Behold, I send you forth as sheep in the midst of wolves: be ye **therefore wise as serpents**, and harmless as doves.

**Enoch 20:7** Gabriel, one of the holy <sup>8</sup> angels, who is over Paradise and the **Serpents** and the Cherubim. Remiel, one of the holy angels, whom God set over those who rise.

Here we see Gabriel is assigned to be over the Cherubim Angels and also what are called Serpent.

According to scripture they had extensive knowledge that was meant to remain kept from humankind. The Serpent went ahead and passed it along to mankind, thus giving away the Tree of Knowledge so to speak.

They also corrupted mankind's seed, save a few namely Noah and the lineage down to Jesus by inbreeding with mankind. That is covered in my article which also breaks down the parable of the Wheat and the Chaff.

Some of the characteristics to look for in what might be called a serpent today would be beings that are experts in technology, genetics since they are said to have their own human seed and also blend in as a human would using either technology or by modifying their bodies molecular structure with what is called an "**Outfit**" explained further in this article.

All over the internet are these beings referred to as reptilian aliens that take on human form and also are rumored to be in key positions in government, banks, media, and entertainment among other things. They are the whack jobs that hang out in the Bohemian Grove doing their strange satanic rituals and it's invite only because they are most likely the reptilians or demons in human bodies. (See explanation below of how this is possible)

They are also called **Satans (Plural)** covered more in my article on Satan [LINK](#)

**Enoch 40:7** "And I heard the fourth voice fending off the **Satans** and forbidding **them** to come before the Lord 8 of Spirits to accuse them who dwell on the earth.

**Enoch 65:6** "And a command has gone forth from the presence of the Lord concerning those who dwell on the earth that their ruin is accomplished because they have learnt all the secrets of the angels, and all the violence of the **Satans**, and all **their powers** -the most secret ones- and all the power of those who practice sorcery, and the power of witchcraft, and the power of those who make molten images"

I want to think of this tree as a of Schematic of knowledge almost and not a literal Tree. As you read **The Book of Enoch** you will see what exactly was told to mankind. Eating from the tree being symbolic of accepting this knowledge that was passed on from this schematic of knowledge.

## The "OutFit"

This video shows in the beginning what appears to be a human eating glass. It goes on to show other video anomalies as well with people having demonic like eyes. People think it's a "possessed" human as glass isn't exactly tasty.

I'm pretty sure I have an idea of what's going on. People in Government, Hollywood, Banking or Big Business have simply put on what is called the "**Outfit**" and are not what they seem. It's high-tech hologram like and can deform the user to be anything you prefer to be weather human or another creature. It only obeys the users commands so as not to change or alter accidentally.

Reptilians (Biblical Serpents) wear these in public to blend in with society. They can be tall or short, have large heads and so forth, but the "**Outfit**" deforms them to a standard human if that's what they wish. There are rumors the Queen of England and family members are reptilians (there are no female Reptilian Biblical Serpents) and they would in fact be using this technology. The hologram can age you as well over time making you even more believable.

The guy eating glass is likely a demon from Hell as they have no blood. Notice he is not bleeding from eating the glass. There are all kinds out there, some to be a weirdos and some to write your laws to govern you.

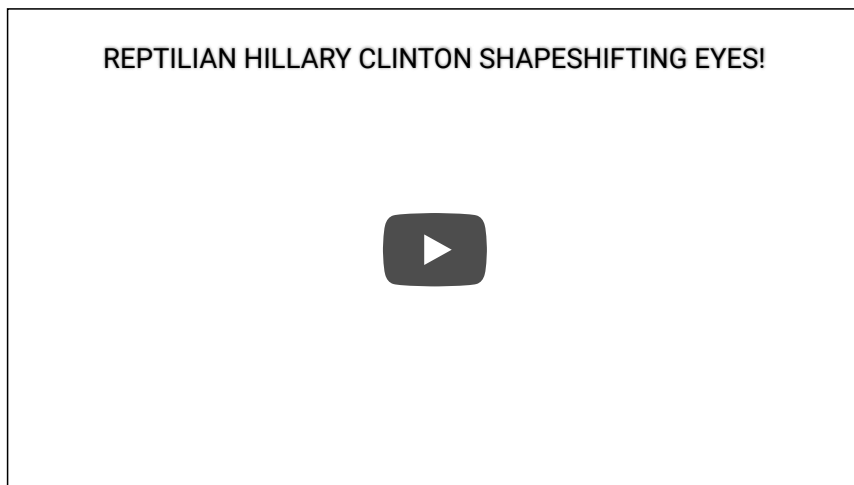

If you've read my other articles you might be aware I can hear telepathy. I can hear it in every dimension as long as you are

within 400 feet of me. Some people in the 3rd dimension do use it. I can't do telepathy, I do the impossible by hearing it even if I'm uninvited to the private discussion.

I didn't think much of the "Outfit" until I drove right past a reptilian posing as a woman whom was unaware the "Outfit" ceased working when it got within 20 feet of me. The voices that are always annoying me became agitated because I'm literally some kind of Superman that breaks down every trick they have using technology.

They require the outfit to morph which is just technology. The "outfit" which is worn for years actually ages you as well and if you have one on nothing can kill you with bullets and so forth. The being can have multiple outfits on with the average being 2 currently in the event they need to take on another appearance. Get someone to say "outfit off" verbally at least 3 times or more and you can see what they really look like. If they won't say something that simple what are they hiding? New outfits can be programmed to ignore this verbal command but only key people will get one as they are hard to come by. They being aware of "Outfit Off" may have changed the command to "Suit off" now, so that is also worth a try in the event they got a new outfit.

**Here are more interesting videos of the "Outfit" malfunctioning on video camera.**

### **My personal experience with these Demonic Aliens/ Demons/Serpents**

If you've read my article on 111-1111 you will see back in 2005 I heard a voice speak to me. The voice said "Awaken" to me 3 times in a row very loud and reverberating. I believe this to have been God speaking to me. At this point in my life things became more strange and I could hear persons talking out of thin air.

The first experience was hearing a woman say "He's Gorgeous" as I was getting changed in my room. I thought to my self that's odd as I wasn't exactly the most fit, so the female voice was referring to my spirit energy perhaps.

There were other voices as well evil in nature that had no idea I could hear them but once they did they became alarmed and have stepped up their efforts to drive me crazy. These Serpent beings or what we perceive as Aliens can take you right out of your bed at night through the wall and run their experiments without you even knowing this and place you back in bed. I believe the more advanced method takes you out of your body in another higher dimension. With this in mind these beings possess the ability to fly through material objects. I believe they are within a higher dimension which is why they became alarmed as to why I can hear them. By operating in higher dimensions the very fabric of nature changes allowing craft to pass right through a wall or really anything. I can actually track the beings with my eyes as they give off a small signature and if they give off a smell I can smell them. They say I can hear them in "any" dimension they are in. They also mentioned that dimensions as explained by them aren't different then the next. If you are in a higher dimension in a craft then others using similar technology are unaware they are being watched by them just one dimension higher.

The advantage of hearing them is I can get valuable information from them because they never shut up. My range appears to be about 400 feet for hearing and up to almost 100 feet to see their craft giving off a signature that can be tracked with my eyes. I hear and track their telepathy through my ears and know exactly where they are in the room or outside.

I want to let you know that these are most likely the top of the food chain of evil. I want to make a distinction between what people are saying on the internet. They say Aliens are demonic spirits. This is true to a degree, however the Serpent wasn't created this way and is an entirely different monster. You'll see images on the internet of them having cat like eye lizard slits in their cornea. Some movie stars, or politicians have been caught with the cat slit on camera. The Queen of England is rumored to be one of these as well. These are likely the very serpent beings now known as reptilians.

I believe that demonic possession is indeed possible therefore these expert beings in genetics have created these other beings which people are calling greys or demonic type aliens.

**Luke 10:19** Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy; and nothing shall by any means hurt you.

**Revelation 9:3** And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.

Here the second enemy is called a **scorpion** and they have power. Now it's not supposed to refer to little critters on the ground. What I know here is the serpent mixed with mankind creating what were called Nephelim Giants in the Bible and The Book of Enoch (explained further in detail in this article) and when they perish they become wicked spirits bound to the Earth.

Genesis 3:15 says the Serpent (Reptilians) would have a seed of man as well. The Jews were punished for 40 years in the wilderness because they were afraid of humanoids whom had great stature in the Promised Land. I truly think these creatures can keep recycling by entering a womb of an unsuspecting mother who bred with these types or they simply get uploaded into new bodies from embryonic chambers. They merely hop from one soulless body to another.

What some Bible readers might find strange is God gave the Hebrews 10 Commandments with one being "thall shall not kill". After the Hebrews were punished to be lost in the wilderness 40 years they raised an army and killed the inhabitants of the Promised Land led by Joshua after Moses had passed away. He was instructed by God to do so. God allowed them to kill these beings simply because they are the Serpent seed as mentioned in Genesis 3:15. God also forbid the Hebrews to marry non Jews for this very reason as read in this following verse.

**Deuteronomy 7:3** Do not intermarry with them. Do not give your daughters to their sons or take their daughters for your sons

He took them out of Egypt because they came from Abraham, Issac and Jacob and their seed was clean.

What happened over time? They did it anyway. The reason he forbid it is because it multiplies the Serpent seed and your offspring will most likely become serpent seed because one parent was not of Gods seed and thus gives a scorpion a new body. There are likely ancient Scorpions who have cycled through various lives and new ones whom just follow orders.

### Getting back to the Serpent

I have no doubt they created the theory of evolution by taking mankind and mixing it with monkey. Scientists dig up these ape like men they pass off as evolution when in fact they are more likely just their variations of mixing DNA with other breeds of monkeys that already existed. These early variations of their seed are the ones mentioned in Genesis 3:15.

I also mentioned in previous articles that the Dragon of Revelation which would refer to these Serpent and Demonic Aliens rule over the Beasts or world Governments. They use contracts or fear to control them. The easy piece of psychology is if they are truly this powerful they wouldn't need the Governments to do their dirty work they would of just taken the earth not asked for cooperation and exchanged technologies.

Another thing worth mentioning is dinosaurs along with the billions of years theory on Earth, the Universe and it's origins. This is the very thing many point to to say the Bible is inaccurate fairy tale material.

**Enoch 7:1** And all the others together with them took unto themselves wives, and each chose for himself one, and they began to go in unto them and to defile themselves with them, and they taught them charms <sup>2</sup> and enchantments, and the cutting of roots, and made them acquainted with plants. And they <sup>3</sup> became pregnant, and they bare great giants, whose height was three thousand ells: Who consumed <sup>4</sup> all the acquisitions of men. And when men could no longer sustain them, the giants turned against <sup>5</sup> them and devoured mankind. And they began to sin against birds, and beasts, and reptiles, and <sup>6</sup> fish, and to devour one another's flesh, and drink the blood. Then the earth laid accusation against the lawless ones.

The result of them mixing their DNA with beasts, reptiles and so forth produced gigantism. Recall the Nephelim Giants and the Israelite's running into men when they crossed the Jordan river to take the land God promised them. They said they made them look like grasshoppers to their size. We can assume then a Dinosaur or reptile mixed with their DNA would create a similar gigantic creature.

**Num 13:33** And there we saw the **giants** (*Nephelim*), the sons of Anak, [which come] of the **giants** (*Nephelim*) : and we were in our own sight as grasshoppers, and so we were in their sight.

Another thing worth noting about dinosaurs are the ones you see in all these museums are in fact just fake artistic creations made up of fiberglass to look like bone. These are not actual casts of alleged dinosaur finds all over the world. There are actually companies that specialize in creating these from merely digging up just a leg or parts of some skeleton. It really boils down to how creative they want to be with them.

### Great video about faked Dinosaurs

I want to share a story my friend shared with me about his uncle as well. His uncle was young and played in an empty lot as a child. He was invited aboard a UFO that was cloaked from the outside by these Grey type aliens. At the end of his experience he was convinced they were in fact demons. I'm sure at this point all EBE's are indeed fake and are created by Reptilians (Biblical Serpents) in Embryonic Chambers with Scorpions (Nephelim Wicked Spirits) driving the flesh after they're uploaded into the body. He as a kid was completely correct with what he thought.

That probably sums it up in a nutshell as far as this part goes, now onto the ultimate goal.

### The Watchers (Aliens) Return:

Here is a portion of **The Book of Enoch** that describes the Second Coming.

#### Enoch 1:5-8

**5** And all shall be smitten with fear And the **Watchers shall quake**, And great fear and trembling shall seize them unto the ends of the earth. **6** And the high mountains shall be shaken, And the high hills shall be made low, And shall melt like wax before the flame. **7** And the Earth shall be wholly rent in sunder, And all that is upon the earth shall perish, And there shall be a judgment upon all (men). **8** But with the righteous He will make peace, And will protect the elect, And mercy shall be upon them.

**Revelation 12:12** Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

Notice the obvious Enoch and Revelation connections here. The Watchers (Aliens) are among us as they have been cast down to the Earth.

The term "**Watcher**" still shows up in the King James translation in the book of Daniel. This is not meaning an "Onlooker".

**Watcher** עֵינַר (Ayin/Yud/Reish)

The Hebrew meaning of this word means "waking or wakeful one"

**Daniel 4:13** I saw in the visions of my head upon my bed, and, behold, a **watcher** and an holy one came down from heaven  
- KJV

**Daniel 4:17** This matter is by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men. - **KJV**

**Daniel 4:23** And whereas the king saw a watcher and an holy one coming down from heaven, and saying, Hew the tree down, and destroy it; yet leave the stump of the roots thereof in the earth, even with a band of iron and brass, in the tender grass of the field; and let it be wet with the dew of heaven, and [let] his portion [be] with the beasts of the field, till seven times pass over him; - **KJV**

**The Dead Sea Scrolls** in Qumran showing more samples of these **Watchers**.

*(Image created by me, not real Sea Scroll)*

They label the texts in a simple code. There were **11** caves so "**4Q**" means this was found in Cave four in the Qumran cave system, the rest is the verse information on that scroll portion.

**Qumran Text 4Q217** and **4Q228** are portions of the Book of Jubilees.

Copies of the Book of Jubilees from caves 1, 2, 3 and 11 were found. Given the fact that at least fourteen copies of it have been identified from the Qumran caves, it is clear that the Book of Jubilees was a popular and probably authoritative text for the community.

**Jubilees 10:5-10** And Thou knowest how The Watchers, the fathers of these spirits, acted in my day: and as for these spirits which are living, imprison them and hold them fast in the place of condemnation, and let them not bring destruction on the sons of thy servant, my God; for these are malignant, and 6 created in order to destroy. And let them not rule over the spirits of the living; for Thou alone canst exercise dominion over them. And let them not have power over the sons of the righteous 7-8 from henceforth and for evermore.' And the Lord our God bade us to bind all. And the chief of the spirits, Mastema, came and said: 'Lord, Creator, let some of them remain before me, and let them harken to my voice, and do all that I shall say unto them; for if some of them are not left to me, I shall not be able to execute the power of my will on the sons of men; for these are for corruption and leading astray before my judgment, for great is the wickedness of the sons of men.' 9 And He said: Let the tenth part of them remain before him, and let nine parts descend into the 10 place of condemnation.'

**Enoch 15:8** And now, the giants, who are produced from the spirits and flesh, shall be called evil spirits upon 9 the earth, and on the earth shall be their dwelling. Evil spirits have proceeded from their bodies; because they are born from men and from the Holy Watchers is their beginning and primal origin; 10 they shall be evil spirits on earth, and evil spirits shall they be called. [As for the spirits of heaven, in heaven shall be their dwelling, but as for the spirits of the earth which were born upon the earth, on the earth shall be their dwelling.]

### The Image in Nebuchadnezzar's Dream

Daniel gives a dream to Nebuchadnezzar in **Daniel 2:31- 45**.

The dream describes a large **image** which represents the powers that will rule over the Earth. Notice the last one on the List:

**Daniel 2:41** And whereas thou saw the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou saw the iron mixed with miry clay.

**Daniel 2:42** And [as] the toes of the feet [were] part of iron, and part of clay, [so] the kingdom shall be partly strong, and partly broken.

**Daniel 2:43** And whereas thou saw iron mixed with miry clay, **they shall mingle themselves with the seed of men: but they shall not cleave one to another**, even as iron is not mixed with clay.

**Daniel 2:44** And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, [but] it shall break in pieces and consume all these kingdoms, and it shall stand for ever.

**Gen 3:15** And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.

There is no deity named Satan, these are real creatures that have a fixation with mixing with the human race genetically. Do some research and you will find there are suspected genetic experiments conducted by the governments and even mention of cooperation with Alien beings to do this research. Science fiction?

### Aliens in Artwork:

These serpent (Aliens) and their various craft show up in cave paintings. They've most likely had influence upon many cultures throughout mankind's timeline. The mysterious Nazca Lines that only make sense when viewed from the sky.

### The Dragon

In **Revelation Chapter 12** there is mentioned a **Dragon** that is cast down to Earth. It has **7 Heads**, **10 Horns**, and **7 Crowns**. This is not a literal Dragon, but an actually Hierarchy of the Serpent Beings. Its referred to as a Dragon meaning one, but contains several divisions within it.

This Dragon "System" that was "Cast Down" controls all the other "Beasts" in Revelation. This Dragon System is not of Earth. Beasts are symbolic for Governments of mankind.

### Beast – Head – Horn - Crown

Here is a list of the most common features of symbolic creatures such as the Beasts from Daniel and Revelation. These could technically be applied to the Revelation 9:7 Locusts and also the Revelation 9:17 Horsemen as they are described in similar fashion meaning the features shown are not literal but more characteristics of what they are.

**Beast** = Government / Democracy / Communism/ Power

**Head** = Location/ Land of Origin

**Horn** = King/Leader

**Crown** = Authority over others

**Features** = *Skin Patterns*, *Claws* or *Teeth* describe what kind of beast this is because those are the underlying characteristics of the beast and how aggressive it is and what it does to the others.

How those are obtained:

**Revelation 17:1** And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come here; I will show you the judgment of the great whore that sits upon many waters:

**Revelation 17:9** And here *is* the mind which hath wisdom. The seven heads are seven mountains, on which the woman sits. (Already noted was Many waters meaning very widespread)

**Revelation 17:12** And the ten horns which thou saw are ten kings, which have received no Kingdom as yet; but receive power as kings one hour with the beast. (These are the Horns on the Scarlet Beast which has no Crowns because it has no authority over others)

**Revelation 17:13** These have one mind, and shall give their power and strength unto the beast.

**Revelation 17:16** And the ten horns which thou saw upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

The Dragon gives power to the Beasts. (**Rev 13:2**) Therefore even now there are various pieces of this "Dragon" working behind the scenes and this would also account for the multiple varieties of "Aliens" and "Craft" that people see.

**Dragon** (7 Heads, 10 Horns, 7 Crowns) - Rev 12:3

(This is not of Earth as its cast down from Heaven)

drak'-own; probably from an alternate form of δερκομαι dérkomai (to look); a fabulous kind of serpent (perhaps as supposed to fascinate)

**Tail** (1/3rd of Messengers with it to Earth)

I've seen many sites trying to prove China is this Red Dragon of Revelation. They are letting their imaginations run wild. All earthly governments are Beasts (according to Scripture) and nothing more. The horns are the leaders of these beasts. China is just another one of those. The Dragon is a grouping of Alien beings (Watcher/Serpent) not of Earth as it plainly states. They give power to the Beasts of the Earth.

There are many sites that talk about Government conspiracy dealing with the UFO/ Alien phenomenon. My conclusions are The Dragon as spoken of in Revelation is a large force of Serpent beings are using the worlds governments like marionettes. They do indeed communicate with select persons from each government and offer them some technology in return for cooperation. The worlds governments want to keep this under a tight lid because they are afraid people of the world will go crazy when they "find out" we are not alone. They also want control over people and can do this far easier with better weapons and secrecy.

Leaders (Horns) whom are elected pursue their greedy desires, wars, and global domination. These next verses describe the end result:

**Rev 19:18** That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all [men, both] free and bond, both small and great.

**Rev 19:19** And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.

**Rev 19:21** And the remnant were slain with the sword of him that sat upon the horse, which [sword] proceeded out of his mouth: and all the fowls were filled with their flesh.

The bible in my opinion is far from flawless as it's all about faith in a concept. Much was probably written by men, but there are some very interesting parts to it that coincide with what is happening today.

I've read the book "Above Black" which explains the U.S. cover up regarding communication with the "Greys". It's a short book that explains his role within the government. I have no idea if he's for real or not, but knowing what I know about bible prophecy I think his story is legit. It's only \$6.00 if you purchase the online PDF version. You always have to approach everything with an open mind so have a read its worth it.

I recently came across a news brief called the Disclosure Project. I must say my jaw about dropped when I heard the testimony of retired military persons who had above top secret clearance. They tell in front of the camera what they know and it's more then you can comprehend. Captured alien beings, craft, reverse engineered craft that can do beyond the speed of light or better. These are Doctors, High ranking military officials and others who tell what they know to get it all out in the open. Here is a link so you can watch the press release for free.
