## The New World Orders Genetic Race

I was living in Mesa, AZ when this song below played on Spotify which is not in my playlist called "Cherokee Nation". At the same time on Pintrest something regarding Cherokee's showed up making me remember to research it as it was strangely odd since I had never searched this topic. I am currently not interested in any other Native American people.

**Cherokee**, North American Indians of Iroquoian lineage who constituted one of the largest politically integrated tribes at the time of European colonization of the Americas. Their name is derived from a Creek word meaning "**people of different speech**"; many prefer to be known as Keetoowah or Tsalagi.

I'm also adding **Armenians**, since it's a word that popped into my thoughts out of thin air. Armenia is next to Mount Ararat where Noah would have unloaded and restarted mankind after the flood. I'm wondering if Cherokee people were related to this area. Perhaps some were taken to America to populate as Cherokee people but are in fact Armenian. The concept of crossing a ice bridge from Russia is rather strange for explaining how indians got to the other side. It makes no sense because who crosses weeks of ice if they don't know if it gets green and warmer while migrating. You would probably give up and turn around in an Alaskan and Canadian winter, not keep exploring. It would have been cold if an ice bridge did exist. Besides all of that I only think mankind takes up 6,125 years with Earth being 11,065 years in the year 2022 AD according to my article on Metonic Moon Cycles.

Perhaps Biblical Serpents (Reptilians) transplanted Armenians instead of a migration to keep their line pure from foreign people and perhaps keep them from being exposed to Christianity.

From the second link - The conclusion is inescapable. Wherever Cherokee is detected, so is Armenian. The only questions are how old is the admixture and what is its proximate source.

Biblical Serpents (Reptilians) wanted this genetic line because it was a cursed line of Noah.

The curse of Canaan is described in the Book of Genesis as imposed by the patriarch Noah upon Ham's son Canaan. It occurs in the context of Noah's drunkenness and is provoked by a shameful act perpetrated by Noah's son Ham, who "saw the nakedness of his father".

**Genesis 9:18-26**

**18** The sons of Noah who came out of the ark were Shem, Ham and Japheth. (Ham was the father of Canaan.) **19** These were the three sons of Noah, and from them came the people who were scattered over the whole earth.

**20** Noah, a man of the soil, proceeded to plant a vineyard. **21** When he drank some of its wine, he became drunk and lay uncovered inside his tent. **22** Ham, the father of Canaan, saw his father naked and told his two brothers outside. **23** But Shem and Japheth took a garment and laid it across their shoulders; then they walked in backward and covered their father's naked body. Their faces were turned the other way so that they would not see their father naked.

**24** When Noah awoke from his wine and found out what his youngest son had done to him, **25** he said,

"Cursed be Canaan!  
The lowest of slaves  
will he be to his brothers."

Noah was 350 years old after the Flood and dies in 2097 BC at the age of 950 years.

### **Genesis 10:21-31**

**Noah -> Ham -> Canaan->** These Canaanites were likely originally settlers near Armenia a cursed line of Ham which were likely transplanted to North America by Biblical Serpents (Reptilians) to keep their genetics pure and probably told not to mate with what were called non Cherokee's.

Currently since I had a miracle regarding the Cherokee people as noted above do they fit the glove? I think they wanted the cursed line of Noah whom also included Nimrod and Babylon for a New World Order.

Noah was Ham's Father who was Cushes father who was father of Nimrod.

The first biblical mention of Nimrod is in the Table of Nations. He is described as the son of Cush, grandson of Ham, and great-grandson of Noah; and as "a mighty one in the earth" and "a mighty hunter before the Lord".

### **Cherokee Nation Song:**

They took the whole Cherokee nation  
Put us on this reservation  
Took away our ways of life  
The tomahawk and the bow and knife  
Took away our native tongue  
And taught their English to our young  
And all the beads we made by hand  
Are nowadays made in Japan

Cherokee people, Cherokee tribe  
So proud to live, so proud to die

They took the whole Indian nation  
Locked us on this reservation  
Though I wear a shirt and tie  
I'm still part redman deep inside

Cherokee people, Cherokee tribe  
So proud to live, so proud to die

But maybe someday when they learn  
Cherokee nation will return, will return, will return, will return, will return.

### **The Number 52 and Time**

**2 Peter 3:8** But you must not forget this one thing, dear friends: A day is like a thousand years to the Lord, and a thousand years is like a day.

The Moon was created on day 4 and Adam day 6 therefore the Moon started at an even Metonic Cycle. Even if we use long days such as 1,000 years (A day is like a 1,000 years unto God) it would still all land on even Metonic 19 year cycles using 988 years instead which are divisible by 19 to be "like" 1,000 years

### **Number 52 (988 is 52x19)**

The Rattlesnake of the Cherokee is very sacred and its sacredness is written even in the Heavens. Upon the mouth of the Rattlesnake is found 52 scales. These scales in number of 52 is written upon the Calendar of the Cherokee and upon the wheels and rings of TIME UNTIME. The Calendar of the Cherokee spins upon wheels and rings as a sophisticated dating system. A dating system that not only tells TIME of events, people, places, and things but also a very holy and sacred element within the Cherokee culture itself of ALL THINGS.

The Rattlesnake can sometimes be imaged as a serpent. To be a Serpent or to be the Rattlesnake depends on the knowing of the TIMES and TIMES of TIME UNTIME. To know the culture of the Cherokee and its Ancient design upon LIFE. One MUST know the things of TIME UNTIME in order to place the constellation as a Rattlesnake or a Serpent.

The stationary outline is always of the Rattlesnake. However upon the wheels of the Cherokee calendar is also found when where how what who in its changing and transformation. The transformation is not the changing of the shape of the Rattlesnake but the addition or subtraction of elements upon the snake itself. These things also tell the tales of the universe and all its bearing of what was, what is, and to be.

The Rattlesnake shall become a FEATHERED RATTLESNAKE or FEATHERED SERPENT of TIME UNTIME
