Reptilian Inbreeding in the Bible - The Wheat and The Chaff

Proverbs 25:2 It is the glory of God to conceal a matter; to search out a matter is the glory of kings.

Who they are and how they do it

Matt 3:7 But when he saw many of the Pharisees and Sadducee's come to his baptism, he said unto them, O generation of vipers, who hath warned you to flee from the wrath to come?

In my other articles I've explained that Biblical Serpents are what some conspiracy persons call Reptilians. What then is a generation of viper (Serpent)? The Pharisees and Sadducee's were religious leaders and human looking at the time he called them out. Even today these kind lead the churches to keep you going in circles such as the Pope. Google some pics of the Pope doing Satanic hand signals similar to those in Hollywood or the Music Industry. The Catholics changed the Sabbath to Sunday from Saturday thus making you break one of the ten commandments. They pray to saints they appointed, bow to statues, rub prayer beads, and have strange rituals they attempt to pass off as Christian. They have most likely focused on Christian Churches at this point by getting key people to lead your faith. I say this because only belief in Christ saves you and no other faith will. If an alien takeover happens these people will likely be the first to get the rest of the church on board with believing extraterrestrials are ancient and the Bible is impossible belief but "it's good for morals" and nothing else. This of course is designed to get you damned. Most of the religious people running these large churches have million plus dollar homes and get driven in limos. Jesus was the son of God and did carpentry and gave wisdom for free.

Gen 3:15 I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel. (God here is talking to a Serpent aka Reptilian named Gadreel who misled Adam and Eve whom is one of several named in The Book of Enoch. Traditional thought is it's a literal fallen Angel named Satan using ventriloquism on a snake)

This is the understanding I have of this parable. The wicked ones are "Satans" which are also called "Serpent" and "Watchers" in scripture. They are mixing their seed into the Human chain with DNA as they did from the beginning of mankind. Some get a little more and some just enough to be called human to follow orders and take lives.

The two named enemies of God are called Serpent and Scorpions.

Luke 10:19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

Revelation 9:3 And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.

Here the second enemy is called a scorpion and they have power. Now it's not supposed to refer to little critters on the ground. What I know here is the serpent mixed with mankind creating what were called Nephelim Giants in the Bible and The Book of Enoch (explained further in detail in this article) and when they perish they become wicked spirits bound to the Earth.

As mentioned above it says the Serpent (reptilians) would have a seed of man as well from Genesis 3:15. The Jews were punished for 40 years in the wilderness because they were afraid of humanoids whom had great stature in the Promised Land. Several giant human types are mentioned further into this article. I truly think these creatures can keep recycling by entering a womb of an unsuspecting mother who bred with these types or they simply get uploaded into new bodies from embryonic chambers. They merely hop from one soulless body to another.

What some Bible readers might find strange is God gave the Hebrews 10 Commandments with one being "thou shalt not kill". After the Hebrews were punished to be lost in the wilderness 40 years they raised an army and killed the inhabitants of the Promised Land led by Joshua after Moses had passed away. He was instructed by God to do so. God allowed them to kill these beings simply because they are the Serpent seed as mentioned in Genesis 3:15. God also forbid the Hebrews to marry non Jews for this very reason as read in this following verse.

Deuteronomy 7:3 Do not intermarry with them. Do not give your daughters to their sons or take their daughters for your sons

He took them out of Egypt because they came from Abraham, Issac and Jacob and their seed was clean.

What happened over time? They did it anyway. The reason he forbid it is because it multiplies the Serpent seed and your offspring will most likely become serpent seed because one parent was not of Gods seed and thus gives a scorpion a new body. There are likely ancient Scorpions who have cycled through various lives and new ones whom just follow orders.

Matthew 13:24-30 Another parable put he forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field: **25** But while men slept, his enemy came and sowed tares among the wheat, and went his way. **26** But when the blade was sprung up, and brought forth fruit, then appeared the tares also. **27** So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares? **28** He said unto them, An enemy hath done this. The servants said unto him, Wilt thou then that we go and gather them up? **29** But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them. **30** Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.

Matthew 13:37- 42 He answered and said unto them, He that soweth the good seed is the Son of man; **38** The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one; **39** The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels. **40** As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. **41** The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; **42** And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

Revelation 20:15 And whosoever was not found written in the book of life was cast into the lake of fire. - ("shall cast them into a furnace of fire" Matt 13:42)

I had a dream back in 2004. The dream was me walking towards this river that was dry and the sky was red. I heard a crunching noise under my feet, so I looked down and saw I was walking on charred skeleton bones. You could see them for as far as the eyes could see. I and others were unharmed by what took place. We were all walking towards this amazing tree that began to grow by the river bed. Water also started to flow and the whole scene was transforming as the tree was growing rapidly.

I believe they are called scorpions because in higher or lower dimensions you would see a literal looking scorpion instead of a soul driving the being. They probably appear as bipedal beings in these dimensions where only then can you see them. Scorpions in nature are attracted to darkness which makes sense because there is no light in the Devil mentioned further down in the aura section of this article.

Yet another dream I was given showed me 3 beings in a view. The two on the left took up the least amount of space. Starting from the top left there was a bipedal energy being then below him a creature that looked like gollum from Lord of the Rings but had two lamb type horns. The main image was a man with a beard dressed in Biblical style clothing. I thought originally it can possibly change metamorphically into these creatures, but what it truly said was it can be whatever host body you give it.

Lets now figure out who these scorpions might be and how they pull it off.

Strange but True

My life became rather strange after the Jewish Passover in the year 2005. The voice of what I would call God spoke to me while I was asleep. You're thinking I was just dreaming, but it was the loudest deepest voice I have ever heard with metallic echos and vibrated every molecule in my body. He simply said "Awaken, Awaken, Awaken" three times each time getting louder. It was paced slowly as well. I woke up from sleep after the third awoken. It was as loud as a music concert with all speakers placed by my ears.

Here are some Bible verses about being awake.

Romans 13:11 Besides this you know the time, that the hour has come for you to wake from sleep. For salvation is nearer to us now than when we first believed.

Isaiah 52:1 Awake, awake, put on your strength, O Zion; put on your beautiful garments, O Jerusalem, the holy city; for there shall no more come into you the uncircumcised and the unclean.

Mathew 24:42 Therefore, stay awake, for you do not know on what day your Lord is coming.

I began to hear voices out of thin air whom were unaware I could hear them. It took almost a decade of hearing various voices, but the evil voices figured out I could hear them and have annoyed me ever since. If we fast-forward to the year 2018-2019 my hearing got better. I noticed I could also now hear certain persons voices out of thin air such as telepathy. They are able to broadcast to each other explained further below.

The irony of my abilities is they were merely designed to detect these people and what they can do. From what I understand I give them the creeps as this is impossible to hear. These people are all over Earth and are as human looking as you and I. I was unaware of people doing this until the reptilian voices began telling me my thoughts are "all over the internet". I hadn't quite figured out what it meant other than its not this type of internet with html.

The reptilians call themselves Jesuits for some reason as well. It would be hard to imagine there not being just regular people with none of these capabilities simply because wars would kill their own kind and it's strange thinking they would have no regard for their own kind.

I can indeed see things and smell in the other dimensions which they say is also impossible. They appear as black distortion wisps as they move around. The Reptilians give off a strange perfume like odor. It's like a bad perfume but like they used the whole bottle.

The deal is I don't think we live in a solar system within a galaxy within a vast universe. We live on a closed system created by God and they know exactly when they were supposed to proceed with their end-time scheme including the 666 Mark of the Beast. From what I gather there is an impassable energy field many miles above the Earth (before the Moon and Sun) which exists in all dimensions except the heavens which can't be accessed by them. Most of this can be read in my Flat Earth article in the articles section. I would give this idea a chance because if NASA has astronauts hanging on wires and getting caught it won't matter how smart you are with your math and astrophysics.

The Reptilians are in control of the Earth and run the world's governments. If you know the rules however you can change the outcome of them fooling you. They can't harm nor take life, only terrify you into thinking they can. The reptilians then control the Illuminati and other cult organizations as well. They might have demonstrated the taking of life by killing their own Scorpion people who look like any other human and fool the others. I'm pretty sure scorpions simply find a new host body through an embryonic chamber or womb.

The Grey species of aliens were in fact created by reptilians as are any other perceived EBE races. They have deliberately crashed ships for the military to examine. These other EBE beings most likely don't have sexual organs which would be odd of advanced alien races that can't reproduce. What drives these fake Aliens would be a wicked scorpion being. I have also heard that their ships aren't much faster or better than what the reptilians or military has which makes a vast universe unlikely for traveling at just below the speed of light.

The reptilians can be dated to about 6,125 years old which puts them right at the time God created them with Adam (Read Metonic Moon and Biblical Dating Article). After Noah's Flood the waters had to dry into the firmament which is the fake star field around the Earth. The invisible energy field was put around the Earth most likely after this to hold in the Devil until the appointed time.

After WW2 the NAZI's had already begun to get rockets high enough to hit this barrier or were getting close. The U.S. brought over the best scientists and created NASA. The rockets would eventually get high enough to hit this barrier. Now the Reptilians and Fallen Angels cannot drop the field or pass through it which would raise too many questions for their human counterparts and the military. I believe they created the Grey Aliens and other evil EBE's to convince the humans the Grey's put it there trapping reptilians and people from leaving Earth thus solving the problem until somebody figures it out. Recall the early 1960s Operation Fishbowl detonated several nukes some 250 miles high, was this nuclear testing or them trying to break the barrier? The irony of this operations name is the Bible says there are waters above the Earth and below and it's possibly round and flat not spherical.

With crashed ships and dead Grey EBE's and other fake aliens, DNA would possibly lead back to reptilians giving away they were related and or created by them. Notice that the Roswell Alien crash happened just as rockets were getting high enough

to figure out there is a barrier.

The Reptilians also told NASA to begin telling people they lived in a solar system and create fake space news. NASA might be run by these scorpion types since they are about deceiving people about what we live on. The moon landings were faked because it's impossible to get there with the energy field up. Reading my other articles I reference the Sun and Moon were stopped for Joshua's conquest for a day and Ezekiel had the Sun go in reverse 10 degrees. With this in mind God doesn't want the Devil to mess with these time piece mechanisms which is why the Devil cannot get past the field or anything else no matter what the dimension.

The Reptilians have spent tons of time corrupting mankind with the movies we watch, music we hear, things we go into debt for and the churches we go to. They want you to think Earth is billions of years old with evolution in a vast universe. This would make the 666 oath much easier even on Christians who would be on high alert for it. The end result is they want you to burn in hell for eternity knowing they and the scorpions get no salvation through Christ.

This is a highly complex situation that has occurred. I've done several rewrites as I figure out more of their abilities. I began to hear telepathy in 2019 and heard some other strange things such as "It's all over the Internet" and "Testimony" or "Testified". The voices were calling themselves Jesuits. I think this name encompasses all their kind whom have reptilian DNA. I know some of them can leave their bodies as I recognized their voices in front of me yet they were invisible. I normally see black wisps moving around and through the walls.

I saw my disabled neighbor rise through my bedroom floor. He appeared tan and transparent like with his form but was missing his facial details such as his eyes, nose and mouth yet his hair was the same. His levels of transparency were not the same. I heard his son Jonah between my T.V. and sofa being surprised I can hear him, but it was him. Can everyone leave their bodies? I highly doubt it otherwise why do we have encryption with passwords and spy agencies in place if everyone could just leave their body and spy on you. They could easily get your passwords.

I heard the neighbor lady right next door who was by the swimming pool 300 feet away talking to her son in his apartment while I was there. I had gotten locked out and he offered me some water. His mother had left her body and was invisible and said "why did you give him water?" but was unaware I could hear her at the time.

I heard a police officer next to another say "this guy can hear my mic". He wasn't referring to anything electronic and rolled up his window to continue what he was doing.

I heard children playing below my 3rd floor balcony. They were laughing and describing what I was doing yet had no view of me which was impossible unless they were out of body.

These type of beings would literally fly into my room at night and annoy me so I couldn't rest well. I thought these things are quite evil by doing this. I believe these scorpion types can read other peoples minds as well. This is why they would be put in charge over others whom can do none of this but they still use telepathy and testify.

I don't believe every human can do this and here is why with logic. Imagine you're a kidnapped victim in a car trunk. You would leave your body and warn others you are in danger and where you are. Soldiers worry about whats around the corner or over the hill. They wouldn't need drones if they could have a safe look around. A swat team would know exactly where you are without technology. Why would we spend lots of time and money on encryption if someone could fly in right behind you and get your passwords. This is why scorpions don't like being figured out. These scorpion beings have no salvation so their motive is to make sure you are damned when in fact it's easy to get saved.

I think these Scorpions have their own "internet" they don't share with these other persons whom are supposed to follow orders. I guess we think of it as access to vast amounts of information using only your mind. I never knew anything like this existed until my abilities started to dissect whats going on.

There are other creatures on the Earth whom have elongated heads according to a World Bank whistle-blower and look like the Egyptian glyphs of people with long heads. They might have a different "Internet" as well but all answer to reptilians.

[LINK to Video](#)

What the Reptilians might have going on is different "Internets" with the lower class beings not knowing what the others know. It makes sense if you want control and of course to cause fear for not taking orders. The lower class beings would likely have human souls because they want them damned when it's all over too and need humans with souls to take out others with souls.

God commanded the Jews not to marry non Jews because you create more of these evil creatures. A real mess occurs when you call them family but had no idea they are testifying about you to their kind. When you think a conspiracy has too many people in on it you truly don't get what these things can do. They plot and scheme using their "Internet" tools and leave no paper trail to follow. This is why people voting don't get how some of these persons are re-elected into office being a terrible choice. I guarantee their kind are running everything from banks, government, religion, Hollywood, music and use these others as pawns.

The Reptilians (Biblical Serpents) needed a human race to control that can legally take another life. Demons, Fallen Angels and Reptilian beings cannot take life because those are the rules. This is why a human race was needed that they can use to influence human culture and take lives if necessary. Here is where these other types come in, they have souls and

participate on a different level so they can be programmed to take another human soul.

These people know when I'm around or driving by as they can access "the internet" in their minds and are warned not to testify nor use telepathy as I can easily hear them now up to around 200 feet. They briefly hold their hand up to their faces. Now I have no idea how much you can cram into a couple seconds but they don't use a voice. I noticed some use a left hand some a right hand. Can they transmit data rather than just thought?

Some Conspiracy

Throwing in some conspiracy about what might have occurred at this church shooting in Texas that took 26 lives

[LINK to Article](#)

They want your guns and rights and the Constitution doesn't allow it. If they can abhor you into thinking nobody needs a gun then you might just be willing to give up your rights. I know scorpions cycle back into new host bodies (wombs or embryonic chambers) so they could care less about dying. They probably get a new ID and money and slip back into society. Some of these shootings are just faked and others are most likely this scenario. It set off alarms because the town was too small and the hugging of others seemed fake to me. Who shoots up church people? This literally has all kinds of red flags. You think an embryonic chamber is impossible? Watch this video of a lamb grown in one. If standard science figured it out and its in the news the I guarantee the Reptilians have far better methods and speed growth.

[LINK to Embryonic Video](#)

Illuminati

I think what the all Seeing Eye refers to is they have eyes on everyone because they can read your mind and report everything about you to their "internet" as they call it which is probably un-hackable in another dimension. With all of what has been written lets add something you probably didn't think of. They just need your DNA and they can replicate you in an embryonic chamber and have a scorpion take over your personality who knows all about you. They can grow a body much faster than using literal years. The only thing they probably would have a harder time with is scars and defects from aging. It will sound like you because its a clone of your vocal chords and behave like you. I'm betting this was already demonstrated so they could fake a resurrection. They would require a human with a soul to take out another soul and then they can replace you like nothing even occurred. I wouldn't doubt if they've used this on high ranking persons whom don't cooperate with them. Naturally they carry out assassinations, but too many deaths starts getting noticed. This would be the quieter way to do it.

Also these two images show a creature holding what looks like a stone purse and pine cone thing. After you've gotten this far into the article you understand these beings "testify" into their hand. What I think you're truly seeing here is a creature with the early method of this procedure. The purse an early computer device for storing persons testimony. The being most likely held the pine cone looking thing to your mouth and would force you to either speak or think into the device. As explained it seems they've moved onto more biological means by simply holding their hands to their mouth as their mic.

These scorpions might have their own radio systems as well. They were mocking me doing their strange threats and childish music they do on 5-5-2019. One female voice was playing the role of the Holy Spirit. This voice was siding with me as they played their mind game on me. Sounds like I lost my mind at this point but they view me as a threat thus spend their efforts on screwing with my mind. As I left the area where they were messing with me I walked across an intersection and heard on a car radio a woman joking that she "played the roll of the Holy Spirit". Now looking back it wasn't that great nor would she win an Oscar. I did hear this after I left the area however and only heard it on one car radio. There might be many of these devils but their days are certainly numbered. They perhaps broadcast this strange radio program that only they can hear with the exception of me. Another time before this incident there was a guy who always worked out on the football uprights doing

pull ups at the park I walked my dogs. As I walked past him I heard an older man talking on the radio about "the fuse and the wire" then he got into an argument with someone telling them to "sit down". I found this really odd and why was this guy listening to something this strange. Was this the scorpion radio as I would call it? I'm sure you can't get one on Amazon either.

The Illuminati Owl Explained

The voices finally gave it up and told me a few secrets since they say I figured out everything else. The Reptilians (Biblical Serpents) as you have read in this and possibly my other articles love mixing and genetically creating different offspring. They basically said begrudgingly "Everyone wants to know what's up with the owl". The owl was their very first successful genetic creature before Nephelim. They want everyone to worship and respect this achievement. That is why it is everywhere in the Illuminati background such as on money and Satanic places like the Bohemian Grove.

Here are a couple sample pictures:

Alien Invasion Speculation

Now that we know all about scorpions lets focus on a possible scenario. I'm convinced their population on Earth is probably close to 50-50 not just 1% as conspiracy persons believe. I also explain they can operate any host body you give them including what we perceive to be extraterrestrials. How horrifying it would be to see them kill humans next to you and even ones in our family. The speculation is that they might only kill scorpion people whom have mixed into society including your families. They will do this so that humans with souls will be terrified into giving away their soul to them via some oath perhaps in a New World Order. Now regardless of knowing this could be a possible scenario, believing in Christ and God requires more faith because the Alien is in front of you terrifying you with a weapon or teeth and you have never seen the other two. If I am killed with an alien weapon or eaten by one well all be I was wrong but retained my faith regardless.

Psalms 23:4 Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me.

Auras

A new theory I have on determining what Angels will use to determine wheat from chaff is if the human body gives off what is know as your aura. If you fail to keep the commandments and believe Jesus is salvation for sin, then any type of human will fail to have light in them and be condemned for eternity.

Isaiah 8:20 To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.

John 12:36 Believe in the light while you have the light, so that you may become children of light." When he had finished speaking, Jesus left and hid himself from them.

I also think there is no missing link such as the Theory of Evolution to the human population. What most likely they are digging up is man that was mixed with other species such as a monkey that already existed as did the man, but they find this genetic soup that was an early prototype of their version of a human. Recall God created Man not a monkey that turned into a man. The Reptilians (Serpent) can be dated to around Adams creation thus making them 6,125 years old as of 2022 AD according to my Metonic Moon Cycles article. They already did plenty of genetic mixing. All you need is a man and a monkey and you start creating what you might perceive to be a missing link in human evolution. They kill it, bury it and tell their scorpion counterparts where to dig thousands of years later to prove it. Currently Sasquatch are rumored all over Earth. I guarantee this is something they will also use when they deem it's time to show these creatures. Here is a great video

explaining that evolution is a highly unlikely process. It's similar to putting all the parts to a radio in the dryer and letting it spin and assemble it perfectly, but that's cheating because evolution is even more complex which first involves creating the parts that can spin together. [LINK](#)

They are indeed human and the only way to detect them is to see if they have auras since there is no light in the devil. There is also one other possibility to detect a demonic human. In the book of Ecclesiastes we see this set of verses.

Ecclesiastes 12:6 Yes, remember your Creator now while you are young, before the silver cord of life snaps and the golden bowl is broken. Don't wait until the water jar is smashed at the spring and the pulley is broken at the well.

Ecclesiastes 12:7 For then the dust will return to the earth, and the spirit will return to God who gave it.

In the upper dimensions you would see that all human life is connected to what would be umbilical cords and only humans will have these and auras. The reason being is because it says God gave us life, but in the case of the Serpent seed God did not give this life therefore they have no cords.

As you know by now from reading my other articles on Satan [LINK](#) , Aliens [LINK](#) etc.. I explain there never was such as thing as "Satan" as Christendom has come to explain him. The term Satan has always meant adversary.

The new line of thought in the Christian world is these UFO's are illusions brought on by the mastermind himself "Satan" and the aliens are nothing but demon hordes and things of this nature.

The reality is these beings have always been what they are, and there is no evil spirit overlord named Satan. They fly in craft and always have. Some were meant to watch over the Earth and some chose to give away forbidden knowledge to humans and genetically mix with humankind.

Another interesting thing occurred while on my patio in Texas in 2018. A voice of a woman to my left said "sleep". I looked over and said "that s*** doesn't work on me". What these beings in a UFO craft can do is knock you out so they can abduct you whenever they want. They can't seem to get me to sleep with what might be a mind wave signal that nothing is immune to. It never works on me and I sleep when I'm tired.

Even Stranger

I came to some other interesting conclusions as well. The Tigris and Euphrates river is the location in Iraq where Babylon existed. Recall Nimrod was a 3rd generation person from Noah's Ark. He had everyone working on the tower of Babel and God confused their languages to get them to scatter across the Earth. According to Genesis this location would also be the Garden of Eden. What I think the Serpent beings and fallen Angels wanted was to put Babylon right there to insult God. I think the Tower of Babel is the exact location where The Tree of Knowledge of Good and Bad was located prior to Noah's Flood. From Mount Ararat in Turkey (Arks Location According to Genesis) it's only a 9 day hike to settle in the Babylonian area (Formerly Eden).

Babylon is thoroughly mentioned in the Bible as well as Babylon the Great in Revelation. It's the brain child of the Devil and still influences mankind to this day including the holidays we celebrate.

Who is Enoch? And what did he write?

Hebrews 11:5 By faith **Enoch** was taken away so that he did not see death, "and was not found, because God had taken him"; for before he was taken **he had this testimony, that he pleased God.**

Jude 1:14 Now **Enoch**, the seventh from Adam, **prophesied** about these men also, saying, "Behold, the Lord comes with ten thousands of His saints, ¹⁵ to execute judgment on all, to convict all who are ungodly among them of all their ungodly deeds which they have committed in an ungodly way, and of all the harsh things which ungodly sinners have spoken against Him."

Yes he gave testimony and the other writers knew it. Not only do **two approved bible books** mention this but also the Book of Enoch was among those found with the Dead Sea scrolls likely meaning it was held in high esteem by early Christians and Jews.

See this [Link](#) for greater details and also this **Dead Sea Scrolls** information on **Enoch**.

Here are the occurrences of the plural form of Satan:

Enoch 40:7 "And I heard the fourth voice fending off the **Satans** and forbidding **them** to come before the Lord **8** of Spirits to accuse them who dwell on the earth.

Enoch 65:6 "And a command has gone forth from the presence of the Lord concerning those who dwell on the earth that their ruin is accomplished because they have learnt all the secrets of the angels, and all the violence of the **Satans**, and all **their powers** -the most secret ones- and all the power of those who practice sorcery, and the power of witchcraft, and the power of those who make molten images"

The underlying theme of the bible is about mankind's seed. This is why these beings are interested in people this way. They are the Serpent/ Watchers mentioned in Revelation, Enoch, and Genesis. They have no leader named "Satan", they as a whole are Satan meaning adversaries.

Below is where the bible talks about "Watchers" taking women and creating offspring that were referred to as the Nephilim who were born of earth women. They took whom they chose; it wasn't an option for the women. You will see from this article this practice continues on after the flood of Noah. This is why God is concerned about **mankind's seed**.

They are attempting to "mix with the seed of men" as mentioned in the book of **Daniel 2:31- 45**

Daniel 2:43 And whereas thou saw iron mixed with miry clay, **they shall mingle themselves with the seed of men:** but they shall not cleave one to another, even as iron is not mixed with clay.

Here are the scriptures that refer to the inbreeding

Gen 6:4 There were **Giants** in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare [children] to them, the same [became] mighty men which [were] of old, men of renown.

They substituted the word "Giants" for the name Nephilim here.

Giants – (Strongs # 05303) – **Nephilim** נפילים (Nun/Peh/Yud/Lamed/Yud/Mem)

The Hebrew word here **Owlam** עולם (Ayin/Vav/Lamed/Mem) used in place of "Which were of Old" is intriguing. (Strongs # 05769) – It has several meanings some of which are: for ever, always, everlasting, indefinite or unending future, eternity, ancient time, long time

When you read through the entire bible there are many hints of this activity throughout mans timeline not just before the Flood.

If you've read my other articles you understand that the Serpent that tempted eve was not a snake, but one of many of these beings that are referred to as Sons of God and Watchers and Serpent.

There are rumors that these giant people still live here on earth underground. If you take the DNA of one of these Nephelims and the DNA of a Reptilian being, and it's a match you have identified the Biblical serpent. Recall these Serpent had relations with human women. If the DNA is a match with human and reptilians then we know these giants identify the serpent from Biblical days. These reptilians when they breed or mix their DNA cause what is called gigantism. They are said to have mixed with reptiles in the Book of Enoch as well thus creating giant reptiles we would consider to be dinosaurs.

Enoch 7:4 And they began to sin against *birds*, and **beasts**, and **reptiles**, and *6 fish*, and to devour one another's flesh, and drink the blood.

Here's another occurrence of this word Giants that occurs after Noah's Flood.

Num 13:32 And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, [is] a land that eateth up the inhabitants thereof; and all the people that we saw in it [are] men of a great stature.

Great Stature - (Strongs # 04055) – **Middah** מדה (Mem/Daleth/Heh) Meaning measurement, size

Here is where you will find Nephelims once again in the Hebrew Scriptures to verify this was indeed a reoccurring problem.

Num 13:33 And there we saw the **giants** (*Nephelim*), the sons of Anak, [which come] of the **giants** (*Nephelim*) : and we were in our own sight as grasshoppers, and so we were in their sight.

WTT Numbers 13:33

ושם ראינו את־הנפילים בני ענק מן־הנפלים ונהי בעינינו כחגבים וכן היינו בעיניהם:

They were “grasshoppers to their size”

Enoch 7:3 “they bare great giants, whose height was three thousand ells:”

Both verses are referring to the giants they were not merely fallen ones. An ell is suggested to be around .3 meters making them quite tall.

This clearly indicates that they are at it again producing offspring of their own again even after judgment was brought upon the Earth. The Hebrew letter "ה" in front of **נפילים** (Nephelim) represents the word "The".

Remember the story of **David and Goliath**?

1 Sam 17:4 And there went out a champion out of the camp of the Philistines, named **Goliath**, of Gath, whose height [was] six cubits and a span.

Entire Races in Deuteronomy

Deut 2:10 The Emims dwelt therein in times past, a people great, and many, and tall, as the Anakims;

Deut 2:11 Which also were accounted giants, as the Anakims; but the Moabites call them Emims.

Deut 2:20 (That also was accounted a land of giants: giants dwelt therein in old time; and the Ammonites call them Zamzumims;

Deut 3:11 For only Og king of Bashan remained of the remnant of giants (Raphah); behold, his bedstead [was] a bedstead of iron; [is] it not in Rabbath of the children of Ammon? nine cubits [was] the length thereof, and four cubits the breadth of it, after the cubit of a man.

These giants in Deuteronomy are derived from the following Hebrew words:

Raphahim **רפאים** – (Strong's # 07497) – (Reish/Peh/Aleph/Yud/Mem)

Zamzumim **זמזמים** – (Strong's # 02161) – (Zayin/Mem/Zayin/Mem/Yud/Mem)

Anakims **ענקים** – (Strong's # 06062) – (Ayin/Nun/Kuf/Yud/Mem)

1 Sam 9:1 Now there was a man of Benjamin, whose name [was] Kish, the son of Abiel, the son of Zeror, the son of Bechorath, the son of Aphiah, a Benjamite, a mighty man of power.

Mighty - (Strong's # 01368) – **Gibbowr** **גבור** (Gimmel/Beth/Vav/Reish) – Champion, Mightiest, Giant

There appears to be a variety that was produced just by interbreeding with humans. Most Churches skip over this as I've never heard much myself from any of them as they just ignore the obvious.

Was bringing a flood needed to wipe the slate clean? It seems these things not only went after humans, but animals and lizards to name a few. Here is a bit from the [Book of Enoch](#).

Enoch 7:1 And all the others together with them took unto themselves wives, and each chose for himself one, and they began to go in unto them and to defile themselves with them, and they taught them charms ² and enchantments, and the cutting of roots, and made them acquainted with plants. And they ³ became pregnant, and they bare great giants, whose height was three thousand ells: Who consumed ⁴ all the acquisitions of men. And when men could no longer sustain them, the giants turned against ⁵ them and devoured mankind. And they began to sin against *birds*, and *beasts*, and *reptiles*, and ⁶ *fish*, and to devour one another's flesh, and drink the blood. Then the earth laid accusation against the lawless ones.

After you read this bit from Enoch you understand why he brought death upon all living things.

Enoch 10:1 Then said the Most High, the Holy and Great One spake, and sent Uriel to the son of Lamech, ² and said to him: 'Go to **Noah** and tell him in my name "Hide thyself!" and reveal to him the end that is approaching: that the whole earth will be destroyed, and a deluge is about to come ³ upon the whole earth, and will destroy all that is on it. And now instruct him that he may escape ⁴ and his seed may be preserved for all the generations of the world.'

Again the reason God puts enmity between the woman's seed and the serpents is because of this very problem he knew would occur.

Gen 3:15 I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.

Greek Word for "Seed"

Sperma Σπέρμα (Sigma/Pi/Epsilon/Rho/Mu/Alpha) (Strong's # 4690) – Meaning: Semen virile

Hebrew Word for "Seed"

Zera זרע (Zayin/Reish/Ayin) (Strong's # 02232) – Meaning: Semen virile

There is another "Seed" mentioned in the Greek scriptures used in the following context.

Matt 13:31 Another parable put he forth unto them, saying, The kingdom of heaven is like to a grain of mustard seed, which a man took, and sowed in his field:

The Greek word used here is not Sperma Σπέρμα, but a different word **Sinapi Σινάπι**. They are completely different but both are translated as **Seed**, so just letting you know this to avoid confusion with the multiple uses of the word seed in the Bible.

The Nephelim become the Demons

Judging from the many "Out of Body Experiences" people have it's easy to conclude we do go on after this life in the form of a spirit. We also know that Bacteria and Viruses can invade the human body so it stands to reason that this isn't really that outlandish to have other spirit type entities capable of doing the same thing. I've never seen this first hand, but I'm sure it is indeed possible.

Demons were formally the **Nephelim** Giants (A creation of breeding mankind with "The Watcher/Serpent " Beings) who's physical bodies were destroyed and are bound to the Earth wondering as wicked spirits according to this verse in Enoch.

Enoch 15:8 And now, the giants, who are produced from the spirits and flesh, shall be called evil spirits upon 9 the earth, and on the earth shall be their dwelling. Evil spirits have proceeded from their bodies; because they are born from men and from the Holy Watchers is their beginning and primal origin; 10 **they shall be evil spirits on earth, and evil spirits shall they be called**. [As for the spirits of heaven, in heaven shall be their dwelling, but as for the spirits of the earth which were born upon the earth, on the earth shall be their dwelling.]

A Biblical sample of someone under demonic influence:

Mark 5:9 And he asked him, What [is] thy name? And he answered, saying, My name [is] Legion: for we are many.

Mark 5:12 And all the devils besought him, saying, Send us into the swine, that we may enter into them.

The Dead Sea Scrolls in Qumran.

They label the texts in a simple code. There were **11** caves so "**4Q**" means this was found in Cave four in the Qumran cave system, the rest is the verse information on that scroll portion.

Qumran Text 4Q217 and **4Q228** are portions of the Book of Jubilees

Copies of the Book of Jubilees from caves 1, 2, 3 and 11 were found. Fourteen copies of Jubilees were found in the Qumran caves which implies they considered the text to be a legitimate version of their history. The Book of Enoch was also among the fragments found.

Here are all the reference to these Watchers in Jubilees, Enoch and Daniel.

Watcher = עִיר (Ayin/Yud/Reish) Meaning those who are Awake

Jubilees 4:15 And in the second week of the tenth jubilee Mahalalel took unto him to wife Dinah, the daughter of Barakiel the daughter of his father's brother, and she bare him a son in the third week in the sixth year, and he called his name Jared, for in his days the angels of the Lord descended on the earth, those who are named **the Watchers**, that they should instruct the children of men, and that they should do judgment and uprightness on the earth.

Jubilees 4:22 And he testified to **the Watchers**, who had sinned with the daughters of men; for these had begun to unite themselves, so as to be defiled, with the daughters of men, and Enoch testified against (them) all.

Jubilees 7:21 For owing to these three things came the flood upon the earth, namely, owing to the fornication wherein **the Watchers** against the law of their ordinances went a whoring after the daughters of men, and took themselves wives of all which they chose: and they made the beginning of uncleanness.

Jubilees 8:3 3 And he found a writing which former (generations) had carved on the rock, and he read what was thereon, and he transcribed it and sinned owing to it; for it contained the teaching of **the Watchers** in accordance with which they used to observe the omens of the sun and moon and stars in all the signs of heaven.

Jubilees 10:5-10 And Thou knowest how **The Watchers**, the fathers of these spirits, acted in my day: and as for these spirits which are living, imprison them and hold them fast in the place of condemnation, and let them not bring destruction on the sons of thy servant, my God; for these are malignant, and 6 created in order to destroy. And let them not rule over the

spirits of the living; for Thou alone canst exercise dominion over them. And let them not have power over the sons of the righteous 7-8 from henceforth and for evermore.' And the Lord our God bade us to bind all. And the chief of the spirits, Mastema, came and said: 'Lord, Creator, let some of them remain before me, and let them harken to my voice, and do all that I shall say unto them; for if some of them are not left to me, I shall not be able to execute the power of my will on the sons of men; for these are for corruption and leading astray before my judgment, for great is the wickedness of the sons of men.' 9 And He said: Let the tenth part of them remain before him, and let nine parts descend into the 10 place of condemnation.'

Enoch 1:5 And all shall be smitten with fear And **the Watchers** shall quake, And great fear and trembling shall seize them unto the ends of the earth.

Enoch 10:7 And heal the earth which the angels have corrupted, and proclaim the healing of the earth, that they may heal the plague, and that all the children of men may not perish through all the secret things that **the Watchers** have disclosed and have taught their sons.

Enoch 10:9 And to Gabriel said the Lord: 'Proceed against the bastards and the reprobates, and against the children of fornication: and destroy [the children of fornication and] the children of **the Watchers** from amongst men [and cause them to go forth]: send them one against the other that they may destroy each other in battle: for length of days shall they not have.

Enoch 10:15 And destroy all the spirits of the reprobate and the children of **the Watchers**, because they have wronged mankind.

Enoch 12:2 And his activities had to do with **the Watchers**, and his days were with the holy ones.

Enoch 12:3 And I Enoch was blessing the Lord of majesty and the King of the ages, and lo! **the Watchers** called me—Enoch the scribe—and said to me:

Enoch 12:4 'Enoch, thou scribe of righteousness, go, declare to **the Watchers** of the heaven who have left the high heaven, the holy eternal place, and have defiled themselves with women, and have done as the children of earth do, and have taken unto themselves wives: "Ye have wrought great destruction on the earth:

Enoch 13:10 And I recounted before them all the visions which I had seen in sleep, and I began to speak the words of righteousness, and to reprimand the heavenly **Watchers**.

Enoch 14:1 The book of the words of righteousness, and of the reprimand of the eternal **Watchers** in accordance with the command of the Holy Great One in that vision.

Enoch 14:3 As He has created and given to man the power of understanding the word of wisdom, so hath He created me also and given me the power of reprimanding **the Watchers**, the children of heaven.

Enoch 15:2 And go, say to **the Watchers** of heaven, who have sent thee to intercede for them: "You should intercede" for men, and not men for you:

Enoch 15:9 Evil spirits have proceeded from their bodies; because they are born from men and from the holy **Watchers** is their beginning and primal origin; they shall be evil spirits on earth, and evil spirits shall they be called.

Enoch 16:1 From the days of the slaughter and destruction and death of the giants, from the souls of whose flesh the spirits, having gone forth, shall destroy without incurring judgement—thus shall they destroy until the day of the consummation, the great judgement in which the age shall be consummated, over **the Watchers** and the godless, yea, shall be wholly consummated."

Enoch 16:2 And now as to **the Watchers** who have sent thee to intercede for them, who had been aforesaid in heaven, (say to them):

Daniel 4:13 I saw in the visions of my head upon my bed, and, behold, a watcher and an holy one came down from heaven - **KJV**

Daniel 4:17 This matter is by the decree of **the watchers**, and the demand by the word of the holy ones: to the intent that the living may know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men. - **KJV**

Daniel 4:23 And whereas the king saw a watcher and an holy one coming down from heaven, and saying, Hew the tree down, and destroy it; yet leave the stump of the roots thereof in the earth, even with a band of iron and brass, in the tender grass of the field; and let it be wet with the dew of heaven, and [let] his portion [be] with the beasts of the field, till seven times pass over him; - **KJV** (*Notice the distinction made here between a Watcher and a Holy One*)

Gennema Γεννημα (Strong's # 1081) (*Gamma/Epsilon/Nu/Eta/Mu/Alpha*) – Meaning: The offspring or progeny.

Matt 3:7 But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, O **generation of vipers**, who hath warned you to flee from the wrath to come?

Matt 12:34 O **generation of vipers**, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh.

Matt 23:33 [Ye] **serpents**, [ye] **generation of vipers**, how can ye escape the damnation of hell? (Both Serpent and Offspring are mentioned)

Luke 3:7 Then said he to the multitude that came forth to be baptized of him, **O generation of vipers**, who hath warned you to flee from the wrath to come?

He tells his followers that he will give them power over scorpions and serpent.

Luke 10:19 Behold, I give unto you power to tread on **serpents** and **scorpions**, and over all the power of the enemy: and nothing shall by any means hurt you.

Matt 10:16 Behold, I send you forth as sheep in the midst of wolves: be ye **therefore wise as serpents**, and harmless as doves.

It seems Cryptic unless you know what to look for. Again one final thing that is from the Book of Daniel.

The Image in Nebuchadnezzar's Dream

Daniel gives a dream to Nebuchadnezzar in **Daniel 2:31- 45**.

The dream describes a large image which represents the powers that will rule over the Earth. Notice the last one on the List:

Daniel 2:41 And whereas thou saw the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, for as much as thou saw the iron mixed with miry clay.

Daniel 2:42 And [as] the toes of the feet [were] part of iron, and part of clay, [so] the kingdom shall be partly strong, and partly broken.

Daniel 2:43 And whereas thou saw iron mixed with miry clay, **they shall mingle themselves with the seed of men**: but they shall not cleave one to another, even as iron is not mixed with clay. (What on earth could that mean??)

Daniel 2:44 And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, [but] it shall break in pieces and consume all these kingdoms, and it shall stand for ever.

They will Mingle themselves with the seed of men. What a shocker. After reading all of these other occurrences of Giant offspring from these Watchers/Serpent how can we be surprised that it would still be happening.

If you haven't read my other articles take a look and see for yourself what Satan really is and who the Dragon of Revelation is. It will all start to click into place for you.

Here are 3 more translations of this same verse.

Daniel 2:43 And just as you saw the iron and the clay of the earthenware mixed together, so the two will be mixed together in human seed; but they will not hold together any more than iron will blend with clay. – *New Jerusalem Bible*

Daniel 2:43 "As you saw iron mixed with ceramic clay, they will mingle with the seed of men; but they will not adhere to one another, just as iron does not mix with clay. – *New King James*

Daniel 2:43 You saw iron mixed with common clay; that means: they shall intermingle with the offspring of men, but shall not hold together, just as iron does not mix with clay. – *Tanakh JPS 1985*

"**They**" are not human. Otherwise it would be saying they are humans mixing with other humans. When we mix together we hold together just fine. If we didn't we wouldn't last long as a human race.

When they do this they are physical when they taught side by side with mankind all the forbidden secrets they were physical. In Enoch it's mentioned they are preparing Instruments/Devices. Physical sounding things wouldn't you say?

One final thing of interest to me was after having researched all of this a while back I had rented the movie **A.I.** It's about the robot kid that wants to be human.

I was only watching it as I had missed it when it was in theaters. The movie itself was pretty boring, but at one point the DVD paused and I was like it must be a flaw with the DVD then it played after 3 seconds of stopping. The very next scene these were the exact words from the script of the movie:

"Ladies and gentlemen. Girls and boys and children of all ages! What will they think of next?! See here: a bitty box, a tinker toy, a living doll. 'Course we all know why they made them. To seize your hearts. To replace your children! This is the latest iteration to the series of insults to human dignity. An underground scheme to phase out all of God's little children. Meet the next generation of child designed to do just that! Do not be fooled by the artistry of this creation. No doubt there was talent in the crafting of this simulator. Yet with the very first strike, you will see the big lie come apart before your very eyes!"

[A.I. Script Source Link](#)

Could the DVD had paused accidentally or did something want me to notice this part especially in light of my recent findings of creating this article. The DVD played back fine when I tried it again so it wasn't a glitch on the surface itself.

The Book of Enoch

Those not familiar with the **Book of Enoch**, it was a book found with the Dead Sea Scrolls. Enoch was the 7th from Adam. He is mentioned in the New Testament directly by other writers. He is also of course mentioned in Genesis in the lineage and it's mentioned that God took him from the Earth. - **Gen 5:23,24**

Hebrews 11:5 By faith **Enoch** was taken away so that he did not see death, "and was not found, because God had taken him"; for before he was taken he had this testimony, that he pleased God.

Jude 1:14 Now **Enoch**, the seventh from Adam, **prophesied** about these men also, saying, "Behold, the Lord comes with ten thousands of His saints, ¹⁵ to execute judgment on all, to convict all who are ungodly among them of all their ungodly deeds which they have committed in an ungodly way, and of all the harsh things which ungodly sinners have spoken against Him."

Enoch in the lineage:

Gen 5:20 And all the days of Jared were nine hundred sixty and two years: and he died.

Gen 5:21 And Enoch lived sixty and five years, and begat Methuselah:

Gen 5:22 And Enoch walked with God after he begat Methuselah three hundred years, and begat sons and daughters:

Gen 5:24 And Enoch walked with God: and he [was] not; for God took him.
