## Shadow Government

[Home](#) • [Articles](#) • [Language Keyboards](#)

### **The Shadow Government/ New World Order**

The following article should not be read until you understand my perspective on what Satan truly is in scripture along with my article on Aliens and so forth. You can find those on my [Articles](#) Page.

Back in the year 1999 I began to see the number 911 all the time and reading my article on [111](#) you will see it lead me to a certain conclusion that on 9-11 something will take place of importance. I had no earthly idea what that was going to be only that I was 100% certain something was trying to tell me something important.

I originally bought the US Government's story that Middle Eastern men had taken planes and used them as weapons of terror. Then the Government passes the Patriot Act which was already drafted by certain persons within the Government and merely needed an event that could convince persons to pass such an intrusive and outlandish law to "provide them protection" from this new threat.

You can read all about that yourself by clicking this [LINK](#) or simply using Google.

### **What is a Satan?**

Here's what's really happening. This will read as science fiction to some whom think these ways of thought are merely someone not taking their meds or perhaps likes to wear a tinfoil hat. If you consider yourself a Christian then how on Earth can you conclude these things are impossible since after all this is the last days according to scripture.

Here is a brief summary in case you decided not to read my articles on [Satan](#) and [Aliens](#).

Satan isn't a proper name in Hebrew or Greek. It basically means you are an adversary and doesn't refer to a particular Fallen Angel named "Satan".

Here is a use of the Hebrew word Satan used in the book of Numbers

**Numbers 22:22** And God's anger was kindled because he went: and the angel of Yahweh stood in the way as a "Satan" against him. Now he was riding upon his ass, and his two servants were with him.

WTT **Numbers 22:22**

ויחר־אף אלהים כִּי־הוֹלֵךְ הוּא ויִתְצַב מִלֶּאךָ יְהוָה בְּדֶרֶךְ לִשְׂטָן לוֹ וְהוּא רֹכֵב עַל־אֲתוֹנוֹ וּשְׁנֵי נַעֲרָיו עִמּוֹ:

Clearly you can see the Shin/Tet/Nun making up the word "Satan" in the Hebrew writings meaning adversary.

This is taken from my [Satan Part II](#) article. You see it has nothing to do with a fallen angel named Satan. Your translation will read "Adversary" however the correct word in Hebrew is "Satan"

## The Book of Enoch

You will see that Enoch whom is referred to in the Books of Jude and Hebrews had written testimony and prophesied. Enoch uses the term "Satans" several times and names certain beings whom were called "Serpents" whom started to deceive mankind. Gadreel is the Serpent being whom appears to have misled Eve in the Genesis story.

**Hebrews 11:5** By faith **Enoch** was taken away so that he did not see death, "and was not found, because God had taken him"; for before he was taken **he had this testimony, that he pleased God**.

**Jude 1:14** Now **Enoch**, the seventh from Adam, **prophesied** about these men also, saying, "Behold, the Lord comes with ten thousands of His saints, 15 to execute judgment on all, to convict all who are ungodly among them of all their ungodly deeds which they have committed in an ungodly way, and of all the harsh things which ungodly sinners have spoken against Him."

Yes he gave testimony and the other writers knew it. Not only do two approved bible books mention this but also the Book of Enoch was among those found with the Dead Sea scrolls likely meaning it was held in high esteem by early Christians and Jews.

See this [Link](#) for greater details and also this **Dead Sea Scrolls** information on [Enoch](#).

**Enoch 40:7** "And I heard the fourth voice fending off the **Satans** and forbidding **them** to come before the Lord 8 of Spirits to accuse them who dwell on the earth.

**Enoch 65:6** "And a command has gone forth from the presence of the Lord concerning those who dwell on the earth that their ruin is accomplished because they have learnt all the secrets of the angels, and all the violence of the **Satans**, and all **their powers** -the most secret ones- and all the power of those who practice sorcery, and the power of witchcraft, and the power of those who make molten images"

The Devil (*This means slanderer in the Greek language*) asked Jesus to bow down and do a form of obeisance and it would give him powers of the world that it runs. Reading my articles on Satan, you will see there is no single entity named "Satan", or "The Devil" running the world.

**Matthew 4:8** Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them;

**Matthew 4:9** And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.

Recall from **Rev 13:2** that the Dragon gives power to the Beasts of the Earth (Human Governments). The Aliens run the planet and tell the worlds governments what to do.

## The Dragon and the Beasts

To recap my article on Aliens you will see that there is a Dragon mentioned in Revelation. This Dragon gives authority to the Beasts of the Earth. Beasts are already explained over and over again as symbols of Human Governments. These Governments of Earth are therefore controlled by this Dragon. The Dragon is not from Earth which pretty much means it's from outer space or inter-dimensional.

**Rev 12:9** And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: **he was cast out into the earth**, and his angels were cast out with him. *(I explain the meaning of Satan/The Devil and names of this nature in my other articles regarding that subject matter) [LINK](#)*

**Rev 13:2** And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. <sup>3</sup> And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. <sup>4</sup> **And they worshipped the dragon which gave power unto the beast:** and they worshipped the beast, saying, Who is like unto the beast? Who is able to make war with him?

Nobody can defeat this Government because the Dragon which is made of several Alien types has greater technology than mankind and by giving this tech to this certain beast, it will easily overcome anyone whom gets in its way.

I watched an interesting You-Tube video by [Chris White](#) on the Beasts that rise out of the sea of mankind and how it relates to the same Beasts in Daniel. The traditional thought is these are Babylon, Greece, and former human Governments. This is not the case and these Beasts are yet to come.

Here are some bullet points from the video. It's explained very well by the author and should be watched for complete understanding in the video below.

- People think Daniel Chapter 7 is a retelling of Daniel Chapter 2. The following bullet points and video explain this isn't the case. The last government on the Daniel 2 statue is divided and weak whereas the Daniel 7 is described as invincible.
- Daniel 7:11-12 states that the beasts live on for a season and a time thus about 360 days (Lunar 1 year is 360 days) and 1 season. Some of the kingdoms such as Babylon and Medo-Persia no longer exist.
- These 4 Kingdoms will come about quickly not over a long period of time
- Daniel 7:7 "it was different from all the beasts that were before it" - this word for before is actually correctly translated as "among or in front of in the presence of" not meaning "previous", therefore the Daniel 7 beasts are not one after the other throughout history but are in fact all still around at the same time.

Here is the Verse and Hebrew word:

**Daniel 7:7** After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and **it was diverse from all the beasts that were before קדמיה it; and it had ten horns.**

**קדמיה** - meaning spatial: before, in front of the king, king before those present

- Daniel 7 beasts are the same as the ones described in Revelation 13. All the Daniel beasts are combined into one beast in Revelation 13.
- The Daniel 7 animals such as the Lion, Bear, and Leopard have nothing to do with the Kingdoms of Babylon, Greece and so forth.
- The Greek empire diminished quickly after Alexander died and thus the 4 heads have nothing to do with his 4 Generals expanding his empire

[Video Link \(Watch video for complete understanding\)](#)

## Alien Inbreeding within the Bible

The Extraterrestrials “Serpents” also called “Satans” collectively form the “Dragon” of Revelation. They control the Beast Governments to fulfill their will over mankind because they are not allowed to take it by force. They have to convince humans to do this for them most likely because there are rules to the game being played.

Why else would they be here influencing our politics, news, movies and other forms of culture? If they are this powerful they would just take it from us and enslave people yet they haven't. They are taking it slowly using us.

They are not called Serpents because they take on a snake like form. It could be derived from “Seraphim” in Hebrew.

They have taught the Military how to create life by growing people in embryonic chambers and training them to do exactly what they want. It's better to grow what you want with certain characteristics than to just rely on traditional mating. They grow soldiers and train them to do what they say without question.

Does this sound crazy? Check out this [LINK](#) that was just published on CNN. It demonstrates that scientists have created a fake womb and grew a lamb within it. As I've mentioned before, the Military is light years beyond anything you see in the news.

This isn't outlandish by any means since we know scientist have already cloned sheep. Do you really think the military has no interest in creating super soldiers? They spend billions on secret projects. They don't want soldiers with a conscience who will refuse an order.

They obviously have other organizations such as the CIA doing groundwork, such as making a bunch of Middle Eastern men angry by getting them riled up around the world before they release these super soldiers into the frameworks to carry out specific attacks.

Once you get enough of them angry you start the movement that creates real terrorists. They create the spark and it turns into a wildfire.

Does this sound like science fiction? This very process of inbreeding with mankind is actually the most prevalent theme in scripture. Did you miss it? Here's something straight out of the book of Genesis.

**Gen 3:15** I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.

Seed means offspring. Therefore there are offspring, one being of God the other from the Aliens. Here are some highlights from my [Alien Inbreeding Article](#):

### Jesus looking at what appear to be humans

**Matt 3:7** But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, O generation of vipers, who hath warned you to flee from the wrath to come?

Offspring of Vipers huh?

The true meaning of the [Wheat and Chaff](#) parable:

**Mat 13:24-30 KJG:** Another parable put he forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field: <sup>25</sup> But while men slept, his enemy came and sowed tares among the wheat, and went his way. <sup>26</sup> But when the blade was sprung up, and brought forth fruit, then appeared the tares also.

**Mat 13:37- 42 KJG:** He answered and said unto them, He that soweth the good seed is the Son of man; <sup>38</sup> The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one;

One here is not meaning “One fallen being named Satan”, rather when you use this word “One” it means you are all trying to achieve the same thing not that you are a singular entity. As an example “The Father and I are One” yet reading scripture

they are in fact different entities. This is further explained within my [Trinity Article](#).

"Thy seed and her seed" from Genesis 3:15 meaning we should expect there to be Alien seed and Original Human

**Daniel 2:43** And whereas thou saw iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.

**Enoch 10:1** Then said the Most High, the Holy and Great One spake, and sent Uriel to the son of Lamech, <sup>2</sup> and said to him: 'Go to **Noah** and tell him in my name "Hide thyself!" and reveal to him the end that is approaching: that the whole earth will be destroyed, and a deluge is about to come <sup>3</sup> upon the whole earth, and will destroy all that is on it. And now instruct him that he may escape <sup>4</sup> and his seed may be preserved for all the generations of the world.'

Do you think all these "crazies" on the internet are lying about "aliens" taking fetuses or taking sperm and egg samples from them?

**Matt 23:33** [Ye] serpents, [ye] generation of vipers, how can ye escape the damnation of hell?

**Luke 10:19** Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

**Matt 10:16** Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.

Jesus isn't talking about bugs and snakes, he's cryptically telling us they don't even have a chance.

They can obviously take on human form as noted from above. How do they do this? There are theories that they use some form of hologram that refreshes at such a rate that cameras and the human eye cannot detect them and sometimes those glitch.

## Erasing Memories/ Media Control

The Middle Eastern men you saw board those planes were born in military facilities and trained to attack certain targets which was planned out beforehand. The military also possess the ability to wipe memories along with mind controlling these men. Now you probably think this is science fiction and tinfoil hat conspiracy but this is exactly what they are doing.

If you don't think they can erase memories here is an article from **MIT** (*Massachusetts Institute of Technology*) regarding a similar process of removing post-traumatic stress memories. [LINK](#)

The military is always light years ahead of this kind of research and development that is used in the civilian sector.

Recall the recent story in the news [LINK](#) about a middle eastern looking man going into and FBI office and telling them that a certain U.S. Intelligence Agency had brainwashed him to get him to become a terrorist. He then carried out the attack at the Florida airport. I have no doubt that he is telling the truth.

Timothy McVeigh was probably another victim of this since he also served in the military.

By creating a 9-11 scenario they have begun a certain phase within their program to please the hidden Shadow Government whom are "Aliens" however in reality they are nothing more than "Satans" or "Serpents" according to scripture.

Below are some things that should make you question the original "Story" they fed us through the "Media" outlets that they also control. If you don't think they own the media then I really can't help you there. The Government wants total control and that includes all forms of Media.

## Some 9-11 Bullet Points

There are so many 9-11 conspiracy sites that I can't even list them all. If you have doubts with these claims then just Google the topics.

I do not believe there were even humans operating the supposed plane that hit the Pentagon. I go with everyone assumption that it was some kind of missile. I even recall when watching live interviews the day it happened persons said "it sounded like a missile" (*by persons whom have exposure to knowing that sound, being in the heart of the Government*), but good luck finding that footage anymore.

If it's ever shown to be such a device the world would know terrorists had nothing to do with the attacks. I believe it was indeed a missile attack because they can't count on a mind controlled soldier to hit exactly where they needed it. What if anything went wrong such as the "Terrorists" being held up at the airport, not taking the plane in time, or just human error? The target and goal would not be achieved.

It's easy to hide funding for black operation types of programs as they are relatively just R&D, but when you go full steam ahead into production it's going to cost a fortune and they don't want the world to know what they are truly spending money on hence moving money around to fool Congress.

- Why didn't the "Terrorists" just just dive bomb the Pentagon? Instead they do some strange turning decent with the risk of every minute in the air they may be shot down? If they were trained to do this surely they could see it coming miles away and just go for a direct hit? They also managed to hit the exact spot the Pentagon keeps records regarding the finances of 3 Trillion missing dollars which Donald Rumsfeld was getting grilled merely the day before.
- The grass in front of the Pentagon was in perfect condition as well, not bad for a "poorly trained" pilot to keep a plane elevated while hitting light poles along the way.
- They must make wings on planes pretty strong these days because they took out all those light poles then managed to go straight into the newly reinforced concrete without breaking off as the main part of the plane burrowed into the wall.
- Why do they only release one crap camera shot from the gate when there are in fact thousands of cameras at the Pentagon? FYI they've had 10+ years now to make awesome computer generated fakery so it's too late to trust anything they release should they attempt to do so.
- Why did the FBI take all the footage from around the Pentagon such as convenience stores or other security cameras and not release the footage to the Media? Was the scene of a passenger plane just too horrifying to see? They didn't have a problem showing the World Trade Centers experiencing the same thing.
- Why did the Pennsylvania flight disintegrate into the ground? If you have seen plane crashes then you know this isn't what planes do, especially only going several hundred miles per hour into ground. Planes leave debris everywhere.
- Amazing they can't find bodies in the wreck or any plane parts but magically they were able to find papers that survived the impact related to the hijackers.

Read more on that here by clicking this [LINK](#)

- Don't you find it odd that they actually found a slightly charred ID of one of the World Trade Center terrorists down the block, yet can't find any bones or body parts of the person it belonged to?
- Watching building 7 footage you would wonder how on Earth that could just collapse from fire. The Empire State building took a hit like that Saturday, July 28, 1945 from a large B-25 plane and that much older engineered structure still stood but one with tougher building codes collapses from a fire or other debris from the Trade Towers?
- The owners of the aging World Trade Centers had a nice Insurance pay day from the Terror Attacks that day
- Buildings are designed and engineered to hold the weight of the structure above them and then some, because you have people and furniture among other things creating additional weight. How then is it possible that the weight that came down created enough gravity for a total collapse? Surely it would have collapsed to the weakest point and stopped. The steel below the fire was not compromised therefore how did that weight pull this off?

When destroying older buildings they have to drill holes and rig the entire structure down to the base. They weaken the beams then add explosives before detonating an entire building. Why wouldn't they just do the top half if this wasn't necessary because the weight would bring down the entire structure? It's because they know the whole thing won't come down using that technique.

## Are You a Bone Head?

It's easiest to accept the Occam's Razor and just think that real terrorists pulled this off as that is the simplest solution. Looking at the strange trace evidence left over from 9-11 we can see that perhaps the simplest solution is not the correct one in this case.

If you've gotten this far than you might start to understand the BS that they have fed you. I can't get through to a bunch of bone heads if you don't see by now what really happened.

The point of them doing this was to conceal their crimes such as redirecting hard working tax payer's money to fund their highly classified programs such as developing alien technology like anti-gravity ships and so forth. They are also creating an occupational army that will control the planet with superior weapons. It costs a fortune to make underground bases and an army of "UFO's".

Now despite some of the Governments of the world working with Aliens (Serpents) there are probably others trying to figure out how to get the upper hand on them as they prefer to be in control rather than the most certain outcome of total "Alien" control of the world.

People ask how can they keep an inside attack like 9-11 or projects related to Alien technology a secret with so many involved. From reading above we already know memory can be wiped as well as the "layered Onion" approach of secrecy.

You might be working on a widget that is part of something else. If you have people making widgets they don't know what it's for, only the final crew whom assemble the device know what they've created and then they don't even know what they've assembled other than "hey looks like a UFO" but have no idea how it operates. Also robots can assemble those parts even making it easier to hide what all those widgets make on a final assembly line and robots don't talk. They already use this technology in automobile plants and similar production lines for just about anything.

Jail time along with death threats would surely be enough to convince most people whom are contractors, but others are simply grown in military bases with the help of Alien technology and mind controlled to do exactly the kinds of things someone without a conscience would have nothing to do with.

The Shadow Government will indeed continue to launch attacks like shooting up night clubs and so forth with their mind controlled and engineered terrorists until they reach the ultimate goal of seizing all of your civil liberties such as the right to free speech, own a gun and so forth so they will have machine guns and you will have rocks.

If the small attacks don't work they will resort to something more destructive and then proceed with martial law and passing more intrusive laws to take away your rights to protect citizens from their own terror. The end result will be people like myself and others who stood up to their tyranny will be thrown into prison camps without trials or killed.

The good news is that won't last long and I give you a 100% guarantee that the days for these types of persons are **numbered**.

## Are You Protecting Us?

It's interesting that you are more likely to get hit by a car or die of cancer than to be killed by a terrorist. Yet they spend all the resources to "protect" you from this new threat (*that they have created*).

Does the government care if you die from smoking cigarettes, or drink yourself to death? Do they care about dangerous illegals running all over the country that they provide sanctuary cities for? Do they care that medicines should cost hundreds less but do nothing to regulate prices because their buddies run the pharmaceutical companies and put money into their campaigns and pockets?

Do they care that people in the USA go hungry but have no problem writing checks to help out other countries every year with the money they take out of your tax money?

These things are far more of a threat to your way of life but they don't care because the terrorism angle is just a way to take your freedoms not to protect you and your families. It's safe to say they don't care about you they just want you to pay taxes to fund their illegal activities.

## UFO's in Enoch?

Here's a couple interesting scriptures from the Book of Enoch:

**Enoch 61:1** And I saw in those days how long cords were given to those angels, and **they took to themselves wings and flew**, and they went towards the north. **2** And I asked the angel, saying unto him: 'Why have those (angels) taken these cords and gone off?' And he said unto me: 'They have gone to measure.'

They had to take wings to fly? Probably referring to a ship or craft of some sort.

Here's another perplexing verse from Enoch. Could they actually be referring to UFO's and so forth that have crashed on the Earth? Perhaps it's a test from God to see what they would do with advanced technologies. Would they help mankind with them or would they rather turn them into weapons to destroy one another? It specifically says "instrument" referring to a physical device of some kind.

**Enoch 53:3** For I saw all the angels of punishment abiding (there) and preparing all the instruments of Satan.**4** And I asked the angel of peace who went with me: **For whom are they preparing these Instruments?**

**Enoch 53:5** And he said unto me: **They prepare these for the kings and the mighty of this earth, that they may thereby be destroyed.**

## How they probably pulled off 9-11-2001

Here is a brief summary of how I think they did it. They didn't use real terrorists because they could muck up the entire operation if they missed their plane by being held up by security and so forth. Even if they let them in the door with the keys they wouldn't risk some poorly trained monkey bar terrorists. The guys they let into the country with passports ([See Video](#)) were the poster child's we all hear about and how terribly they actually flew.

This was a Military, CIA operation. The CIA took the planes as hijackers and piloted them back to a military base because they don't want to die because they're not really terrorists.

They had plenty of fuel to go to several off limit Air Force bases they operate. They did this by fooling radar. A Military plane gets within range of the passenger plane and switches identity with the passenger plane and continues on as the passenger plane that was just hijacked. I actually figured this one out before I even heard the CIA has been developing this for years. ([See Video](#))

The CIA agents on board the passenger plane overtake control and by some way assign the passenger plane with a military transponder. The radar then thinks this is a military flight and pays no attention to it when all passenger planes are forced to be grounded. The passengers are either dead or in some military prison underground held against their wills.

By watching the 9-11 videos on my YouTube page, we can see that there is some computer generated errors happening with the footage the news media released. This interesting video shows some strange ball object hitting the second tower. This video reconstructs the entire scene with computer generated angles and simulations and overlays with mainstream media released footage. ([See Video](#)) In a later broadcast the ball is gone and there is an airplane in its place.

Too many people in on it? Well the CIA has people everywhere and dirt on them. You get a nice payday and you get to keep your dirt in the closet for just cooperating. These people will work crap jobs to blend in for years until they are needed.

The angle at which the second proposed plane hit was out of view of most people. The amateur shot they show of a plane hitting actually shows the left wing go behind a building that is behind the building it hit ([See Video](#)). Throw in panic and explosions and insert CIA liars within the crowd to say they saw an airplane and walla.

The Pentagon was something similar. Why else don't they release all the footage from hundreds of cameras at the Pentagon

and around the surrounding area. They don't want to deal with all these really smart people looking at every pixel to see the faked compositing like what is happening at the world trade centers. One heck of a shot to knock out all those financial records. I think 3 Trillion is going to be a problem not an accounting error.

The Pennsylvania flight was obviously not a real plane since planes don't disintegrate yet paper survived the disintegration and fire ([See Link](#)) There is no way cell phones work in airplanes due to the speed of the aircraft and height. Here is a [Video Link](#) on the impossibility of a cell phone call from those heights and speeds many years later with better technology.

I would also like to add that if the private sector can duplicate or modify the sound of your voice with technology ([See Video](#)) then surely the CIA has had this for years. These alleged phone calls on the planes to relatives were simply using a more advanced technology and they knew all about these persons lives that they could convince the relatives it was really them on the other end of the phone. All they need is for you to say a certain phrase or extract it from tapped phone calls and they can fool anyone listening into thinking it's actually you. You surely must be joking if you think they would have no time or money spent figuring this one out.

The very next day we get the already drafted "Patriot Act" ([LINK](#)) which takes away your civil liberties because they are causing panic to let them "protect you"

#### Osama Bin Laden and his actor doubles

Just because you see a guy shooting guns on a video and climbing monkey bars doesn't mean they are who they are being played as. The Osama Bin Laden videos don't even look like the same guy when he's talking about how unexpectedly well the attacks went. Maybe they should of hired a better make up artist. This is probably why they gave the real Osama Bin Laden weapons to fight the Russians knowing they were going to use this guy as their poster child for terrorism down the road.

If the Government can give you a new identity in a witness protection program, they can indeed conjure people out of thin air including people who supposedly died on 9-11-2001 and alleged terrorists from around the world.

## The Illuminati?

People think the world is run by what is called the "Illuminati". I like to think it's pretty much "Aliens" whom are "Serpent" and "Satans" that can take on human form. Do you think this is impossible?

Let's consider this scripture:

**Hebrews 13:2** Be not forgetful to entertain strangers: for thereby some have entertained Messengers (*Angels*) unawares

These type of beings can do it so why would it be outlandish to think what the world calls "Aliens" can't do this?

Jesus looking at what the others present considered to be human:

**Matt 3:7** But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, O **generation of vipers**, who hath warned you to flee from the wrath to come?

He can easily detect they are not human or are offspring that are part of the wicked one "Tares" running religion among other things.

They simply have infested the worlds Governments, Religion, the Banks, Big Business, Music, Movies and the Media to insert fear and their beliefs into your mind and control you.

## 666 and the Abomination of Desolation

For full article on 666/616 [Click Here](#)

**Rev 13:16 NAS** And he causes all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand, or on their forehead,

They want you to choose them over God and that's the end of the game for you. If you take the mark then you have just gotten yourself a little more time until God sends in the armies to wipe all of you out. They don't win so taking the Mark results in you being able to survive only for a short time until you are destroyed with the rest of them.

**Mat 24:15-16 NAS** "Therefore when you see the abomination of desolation which was spoken of through Daniel the prophet, standing in the holy place (let the reader understand), <sup>16</sup> then let those who are in Judea flee to the mountains;

**Dan 12:11-12 NAS** "And from the time that the regular sacrifice is abolished, and the abomination of desolation is set up, there will be 1,290 days. <sup>12</sup> "How blessed is he who keeps waiting and attains to the 1,335 days!

This is my understanding of The Abomination. There is no Temple (Physical Temple in Jerusalem) where there will be sacrifices and a literal Abomination will be put there. Let's read a few scriptures.

**Joh 2:19 NAS)** "Jesus answered and said to them, "Destroy this temple, and in three days I will raise it up."

**1Co 6:19-20 NAS** "Or do you not know that your body is a temple of the Holy Spirit who is in you, whom you have from God, and that you are not your own? <sup>20</sup> For you have been bought with a price: therefore glorify God in your body.

You are the Temple, therefore the Abomination of Desolation is the Mark of the Beast on your forehead or right hand as it states in Revelation. Don't be expecting a third temple to fit your time-lines. This can happen rapidly and throw people off whom expect such an event to take place.

**Rev 20:4** And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years. (Rev 20:4 KJV)

Get ready because it's all shaping up for the final chapters of Revelation and I'm pretty sure this happens beginning in 2018 AD leading up to 2025 AD using 2,520 days (360 Lunar days x 7)
