Was the Star of Bethlehem a UFO Spaceship?

This is the star all the Astrologers and Astronomers are wondering about. Was it really a Star? It was bright and high in the sky so it must have been a Star? This is a very short article but my conclusion on this portion of scripture.

Matt 2:1 Now when Jesus was born in Bethlehem of Judea in the days of Herod the king, behold, there came wise men from the east to Jerusalem,

Wise Men - (Strong's # 3097) – **Magos** **Μαγος** - the name given by the Babylonians (Chaldeans), Medes, Persians, and others, to the wise men, teachers, priests, physicians, astrologers, seers, interpreters of dreams, augers, soothsayers, sorcerers etc.

Matt 2:2 Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him.

Matt 2:3 When Herod the king had heard [these things], he was troubled, and all Jerusalem with him.

Matt 2:7 Then Herod, when he had privately called the wise men, enquired of them diligently what time the star appeared.

Stars don't just appear out of nowhere. People have used the same ones over the ages to navigate directions and some to foretell the future as in the use of Astrology, that's why these men as mentioned above were astrologers. They had an understanding of the normal stars in the night sky and this one was different enough to grab their attention.

Why did it lead them to Herod first who obviously wanted him dead?

Matt 2:8 And he sent them to Bethlehem, and said, Go and search diligently for the young child; and when ye have found [him], bring me word again, that I may come and worship him also.

Matt 2:9 When they had heard the king, they departed; and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was.

Matt 2:10 When they saw the star, they rejoiced with exceeding great joy.

Matt 2:14 When he arose, he took the young child and his mother by night, and departed into Egypt

According to scripture Herod is intent on finding him to have him killed.

Stars don't move but spaceships don't have a problem with that. This thing moved and positioned itself. In the night sky it would look just like current UFO sightings, lit up as if a star. To us we see all kinds of things in the sky such as military craft, airplanes or weather balloons. For them however these things didn't exist so they wouldn't have a frame of reference as to what can fly and be lit up as if a star. This makes more sense than any scenario.

Also you see these Serpent whom fly these craft have to use humans to do their dirty work. If they didn't they could have zapped him the second he was born, yet had to lead these astrologers to Herod whom wanted to kill him then the "Star" or "Spaceship" lead them to Jesus location.

The "Aliens" [LINK](#) (Serpent/Watchers) use the world's governments to still do their dirty work. They probably use fear, but at the end of the day can't do anything about a human problem unless they have a human take care of it for them.

If you haven't my [Satan Part I](#) or [Aliens](#) posts yet you should to understand fully what I'm talking about

I've read the book "Above Black" which explains the U.S. cover up regarding communication with the "Greys". It's a short book that explains his role within the government. I have no idea if he's for real or not, but knowing what I know about bible prophecy I think his story is legit. It's only \$6.00 if you purchase the online PDF version. You always have to approach everything with an open mind so have a read its worth it.

I recently came across a news brief called the Disclosure Project. I must say my jaw about dropped when I heard the testimony of retired military persons who had above top secret clearance. They tell in front of the camera what they know and it's more then you can comprehend. Captured alien beings, craft, reverse engineered craft that can do beyond the speed of light or better. These are Doctors, High ranking military officials and others who tell what they know to get it all out in the open. Here is a link so you can watch the press release for free.
